

PLATTEVILLE UNITED METHODIST CHURCH

I was chatting with a new stylist a few weeks ago, as she was cutting my hair, and she asked what I do. When I told her I was a pastor, she immediately changed the conversation to my children and what they are doing. She wondered aloud what someone with a music performance degree would do with it, so I told her that Elizabeth was going to go on to school to be a pastor also.

I can still see the look of bewilderment on her face. She stopped cutting, looked at me strangely in the mirror, and said, “Why would she want to do THAT?”

I began telling her about how Elizabeth wants to share God’s love with people and help them to begin and grow in faith, and she dismissed my explanation. She went on to tell me about how her grandmother had dragged her to church when she was young. It was boring, she hated it, and she was never going to church again.

We spent the rest of my haircut with me asking her what she remembered that she didn’t like, and then telling her how things are different at our church. I told her she might like church the way her grandmother likes it, now that she’s an adult. I told her about our Contemporary Worship Service, and she was astonished that a church would have a contemporary band (I told her we have three!). We talked about community, faith, love and hope.

I invited her to come to worship, writing the times on the back of my business card.

As I left, I wondered: what will she find if she looks at our website? (*Ps – Gary Lindahl is currently redesigning our website. It is not up and running yet, but should be wonderful when it is ready!*) What if she actually comes to church? Will people greet her? Will she feel welcomed? Will we speak in church-eze (church language) or will she be able to understand? Will the music be excellent? Will my sermon speak to both her and someone who has been a person of faith their entire lives? Will the visit bring back the negative experiences of her childhood, or will she find a place to belong?

Of all of the times of the year, back-to-school time is the time more people consider going back to church than any other time of the year. People look to Christmas and Easter as special occasions, but back-to-school time is a time to begin attending a church regularly. If there is one time of the year that we need to make sure we are excellent for visitors, it is the fall. I would encourage each of us to increase our effort to be welcoming. Let’s come to worship expecting to have an encounter with God, and longing to share that with those worshiping around us. I invite you to do whatever you can to make our worship excellent.

And when God sends “de-churched” people to us, they will say, “I love it here! I wish I had gone back to church a long time ago!”

I’ll see you in church, where we love each other and love to bring new people to Jesus!

*Ave
Pastor

Christmas Bazaar

Santa stopped by my house and greeted me with "No, no, no!" I asked him if he didn't mean "Ho, ho, ho!" and he said absolutely not. He wanted people to know that the Christmas bazaar was NOT just for the women of the congregation - - that men were encouraged to show their talents in making holiday treats, woodworking projects, and other crafts. The bazaar will be here before we know it!

The Cap Club met Mon Aug 6th. Members present were Pastor Brenda, Tom Lindahl, Tom Ziegenfuss, Jim & Carol Kirkpatrick, Dolores Hutchison, Dee Gray and Hank Bossenbroek. All members reported on the friends they have called on.

Because of the Labor Day Holiday our next meeting will be on Tues Sept 4th.

Thank you to all of our dedicated Club Members.

Blessings from the Cap Club.

Baptisms

On August 5th, Jackson Oskar Thomas was baptized. Jackson is the son of Eric & Laura Thomas (daughter of Susan & Jay Dykstra). We welcome him to our family of faith.

Just Thought You Should Know.....

We would like to thank everyone for their great support and all of your prayers for all of us as we have experienced the challenges of the last couple of months. We want to especially thank Pastor Brenda for all her concern and support during this time. Each of your prayers have been so important in Mark's healing. During this time we have felt God's hand upon us including Mark and Gary in so many ways. Our faith has been greatly strengthened. Mark continues to heal but he is now experiencing more pain as his ribs begin to heal. We ask that you continue special prayers for him as he continues his healing process.

God Bless You all!
 Lee Ann, Tom, Mark, and Gary Lindahl

Gatlinburg Mission Trip

As many of you have heard our mission trip to Gatlinburg Tennessee was an awesome God-filled event. On July 14th Becca Craugh, Mattea Scanlan, McKenzie Scanlan, Ben and Sarah Hasker, Paula Schoenberg and myself, all loaded the van to head to the mountains of Tennessee. Our home for the week would be The King's Academy which was a Christian boarding school. We served a lady, with an incredible heart, named June. June loved Jesus so much and depended on him for everything! She was such a role model to what our faith should look like! We built her a wheel chair ramp so she could get out of her house easier. The teens all worked really hard and not only did we build her a almost complete ramp but we cleaned her siding, weeded her yard, and put up a screen on her porch. June was so appreciative of all of this!

After we were done working at the worksite we headed back to the academy for some free time and a well-deserved shower, before supper and chapel. At chapel we learned about baggage, how our baggage

can slow us down, and keep us from being all that God created us to be!

It's always amazing how we go on the mission trips to serve but always come back feeling we met God in a whole new way. We saw God through June on the worksite, through our evening chapel services, on our hike, horseback riding, and even on 13 hour car ride! Needless to say we all came back changed and transformed by God! There are so many stories I would love to share here, but they would be better shared in person. If you want to hear more of the mission trip please grab any of us and ask us about the trip. We would be happy to share! Thank you to all of you who made this trip possible! You not only helped make a difference in June's life but all of our lives as well! ~ Mindy

SPRC update: Mindy Freiburger's job description has changed. She has been hired an additional quarter-time by our Wesley Foundation to facilitate Campus Ministry. She will be working a total of 30 hours a week, splitting her time between Campus Ministry, Youth Ministry, and Small Group Ministry. Mindy is a coordinator, which means she will be equipping people to work with her in ministry. She is looking for people who would like to form relationships with our college students, work with our youth, or facilitate small groups. Mindy can be reached at 608-778-4607

Ministry to College Age People

I am pleased to announce that our ministry to college age people will be kicking off this September. We are planning on reaching out to college age students and welcoming them to the church. If you see them in church in September please take a moment to introduce yourself and get to know these students. Some of them will be new and this will be the first time away from home and to our church. Let's make them feel extra welcome to be here at PUMC.

One of the greatest assets the church has to college age people is that it is multigenerational. The church has the privilege of investing in college students. I think the greatest ministry we can serve these young people with is mentors. *Slow Fade* is a book that introduces a new view on ministry to college age people. This book emphasizes how these mentoring relationships not only shape the students' lives now and forever but also the mentors. You both get transformed by God during this! That is an awesome deal! Let's get to know the students God brings to us and walk through life with them!

We will also be having a discussion and lunch on the 3rd Sundays of the month. I would love it if someone would volunteer to host these meals either at the church or in their homes.

Also we will be making dorm bags so the students can kick off the semester with love from us here at PUMC and we will also be making final bags 3 weeks before the semester ends. Please contact me, Minder Freiburger if you would like to help or to find out more about our plans for Ministry to College Age People.

WELCOME COLLEGE AGE PEOPLE

Come and join us to welcome our college age people on their first Sunday Sept 2 at PUMC! We will be hosting a potluck lunch after the 11 o'clock service. This will help us to connect to the college age people and develop a relationship with them so they will feel welcomed and come back to PUMC! Our ministry to young people depends on you so please come help us! This will be a potluck lunch so if you are interested in developing a relationship with our college students, please bring a dish to pass.

30-Day Church Challenge

I am super excited to announce our next small group series *The 30 Day Church Challenge*. You may have noticed between my triathlon, and The Dirty Girl mud obstacle course that I did this summer, that I love challenges! So needless to say I am excited to challenge all of you with this new series!

What is it? The *30-Day Church Challenge* is a five-week series that challenges members to understand and engage in the five main purposes of the church as found in the book of Acts! For thirty days you will discover how our church can help us reach our God-given potential and how together we can become a church that transforms our community and the world!

Sounds awesome huh!? I am so excited to see how God uses this to transform this church into more of his image! Imagine him using us PUMC to change not only the Platteville community but the world! This is what God desires from us as the church! Will you join me in allowing him to transform us into that?

If you would like to lead a *30-Day Church Challenge* small group, please let me know. ~ Mindy

Friendship Coffee Bible Study Group

New Class starting September 16, in church library at 9:30 am. on Sunday mornings.

We will be studying the New Testament book of 1st John. We will learn how to discern the difference between true and false teaching. You can gain assurance of your position in Christ and how to live a triumphant life in Him. All are welcome to come. Study book cost is \$7.00 each. I have 8 available, but could order more. We will just meet that first week to get books and go from there. Any questions call Alice Clifton at 348-9490.

Last month it was announced that we would be doing Re:Con this fall. It was a good idea, but one that would require a tremendous amount of preparation. After some more discussion, Mindy and I have decided that we need much more time to prepare it, and will not be ready to begin in September. We will put this on the back burner, to work on at another time. Thanks for your grace.

~Pastor Brenda

Veggie Salsa

(A good way to eat fresh veggies!)

Dice the following in a 2 quart bowl:

- * One small red onion
- * One cucumber (sliced lengthwise and scoop out the seeds)
- * One green or other colored pepper
- * One small bottle (8 oz) of Picante Sauce or prepared salsa (salt is in here)
- * Cilantro to taste
- * 2-3 Tablespoons lime juice

Stir together and serve with baked taco chips or low-sodium chips

*If you blend all of the above ingredients in a blender or food processor, you have a cold soup called Gazpacho.

Thank you!

Thank you to everyone who worked to make VBS a success this year! We had 57 children ages three through 5th grade and 26 youth and adults who had a blast at our Operation Overboard VBS, learning how to dive deep with God. VBS would not have been possible without all the volunteers who donated their time, energy and resources to make this event great. Thanks again!

**2012-2013 Sunday School**

September 16 marks the beginning of our new Sunday School classes. Sunday classes are held between services, from 9:45-10:45, and there are options for everyone from 3 years old through adult. There will also be more options for small group studies this Fall. This is an important time for children to learn Bible basics, and for adults to grow in faith.

We are excited to have Amanda Zasada singing with our children during Sunday School time this year. She led the music during Vacation Bible School this summer, and the kids had a great time with her! Plans are to have the children share more music during worship services.

Bible Sunday is planned for Oct. 14, when our youngest students will receive their Beginner's Bible, and 4th grade students will receive a copy of Spark Bible NRSV.

Mark Your Calendars: Teacher Meeting

If you are planning on teaching one of the Sunday school classes in the fall, then this meeting is for you! Join us on **Wednesday, September 5 at 7:00 pm**. You will be introduced to the brand-new Grow, Proclaim, Serve! curriculum. Please contact Ellen Carnahan for more information.

New Baptism Song

Each time we have a baptism, the children present in worship will be singing the child a special song. This will happen the first time at the 8:30 service on September 23. The children will learn the song on Sept 16. Parents, watch your email so you can go over the words with your child if you would like.

Children in Church

Children are always welcome at PUMC. If however, your child needs extra space, our Wesley Room is available where you can see and hear the service.

Children's activity bags are available in the toy box located by the entrance to the sanctuary.

On Sunday's, the Children's Nursery for ages 5 and under is available and located down the hall. Just follow the rainbow! Alyssa and Megan have fun activates for the children.
